

## Web Session

# Participants wanted

Currently, web session just applies simplistic technology: e.g. 30 mins inactivity lead to create a new session (By google). We are developing a better web session detection model. Your participation will bring us a better future on this!!!

Step 1: Have a Chrome Extension installed on your computer to collect your web data for 5 days

+

Step 2: Join the 80 mins Interview

+

Our guarantee for your privacy:

1. You can delete private data before data submission.
2. Data is stored Anonymously and Securely.
3. No data tracking on Incognito Window.

=

£15 Amazon Voucher

## If you want to join

- Step 1: Contact me to have the extension installed
- Step 2: One-click daily data submission (for 5 days)
- Step 3: Join the interview

P.S. Our Ideal participant would be the one (whose daily web activities are in English.)
